

Dear SCE Members:

The SCE is pleased to offer a new benefit to members! The **PetroCard Fueling Program** is a fuel management program that will save members money by offering fuel to individuals at a volume discount price. **If you already have a Pacific Pride fueling card or account this program does not apply to you, since this offering is for new commercial fueling accounts only.**

PetroCard provides the following benefits:

- One card system for each driver, or a two card system preventing employee abuse/fraud
- Convenient & Accessible Fueling Facilities, utilizing **Pacific Pride**
- Enhanced Security, customized cards with pre-set dollar amounts to track spending
- Online Account Management to access your account online.
- Superior customer service

Following is an outline of their service:

- **PetroCard** will issue a **Pacific Pride** to members of SCE.
- Individual members will be invoiced twice per month, on the 1st and 16th.
- A credit application is REQUIRED; there are NO fees to participate. Indicate you are a member of SCE at the top of the application.
- Card maintenance and report downloads can be performed online at www.petrocard.com, in the Account Access section, or call customer service at 800-950-3835.

- Locations – SCE members will be sent a directory of all locations and/or find locations on our website www.petrocard.com
- Only **Non-Pacific Pride** customers are eligible. If you are currently using the **Pacific Pride Network** please continue to use the benefits of the program and use your cards at the many **PetroCard sites in your area.**
